**Rotary is the world's largest and oldest service organization founded in 1905 and comprised of business professionals who are dedicated to serving its local and world communities.**

Jack Clark was a true Rotarian for 65 years. Having perfect attendance, never missing a meeting. Jack lived by Rotary's four way test in his business and personal life definitely putting Service above Self.

It is only fitting that we honor Jack in this way. Jack always fielded a team of his own and probably signed up more teams/hole sponsors each year than the rest of the club combined. He was an avid golfer.

While we miss Jack as a friend and Rotarian, we want to keep his memory alive by naming our golf outing in his honor.

The outing has been set for the third Tuesday of each July.
