## How can you help?

Rid yourself of the clutter of old records, in a safe and secure manner and make a difference in the world. Box up your old, sensitive records and bring them to Family, Farm, and Home; pay a nominal fee and your items will be securely and safely shredded while you wait. Don't worry about stapled items but please remove any papers that may be in plastic sleeves.

**Funds generated will support community organizations and activities!**

### **Rotary:**

Last year Rotary provided \$2,000 in Meijer Simply Give cards that were doubled by Meijer in support of both the Cedar Springs Community and North Kent Connect Food Pantries. We charter BSA Troops 222B and 222G and provide them a meeting place in the Scout Cabin in Morley Park. The Club supports the Cedar Springs Community Library's Summer Reading Program, North Kent Community Enrichment's Concerts in the Park, and pack bags for the Hand2Hand weekend food ministry for students at Cedar Springs and Kent City Public Schools.

### **Cedar Springs Friends of the Library:**

The Friends of the Library endeavor to increase the use of the library; to fund and run library programs of interest to the community; and to help acquire funds for the purchase of library materials and improvements. We support and assist the library staff as needed and wish to help our library grow and expand to meet the needs of our growing community.
